NEWS PRESS RELEASE

FOR IMMEDIATE RELEASE
October 28th, 2015

SMTC to Present at the MicroCap Conference

SAN JOSE, CALIFORNIA – October 28, 2015 – SMTC Corporation (Nasdaq: SMTX), a global electronics manufacturing services provider, today announced that Sushil Dhiman, President and Chief Executive Officer, and Jim Currie, Chief Financial Officer, will present at the MicroCap Conference on Thursday, November 5th, 2015 at the Marriot in downtown Philadelphia. The presentation will take place at 10:00 a.m. Eastern Time. Mr. Dhiman and Mr. Currie will provide an overview of SMTC's operations and financial results and will be available throughout the day for one-on-one and small group meetings.

Investors and interested parties are invited to attend the conference or may listen to the live webcast of this presentation hosted by Wall Street Webcasting by visiting our investor relations section at the appropriate time. Or you may use the following link directly;

About the MicroCap Conference

The 2015 MicroCap Conference is an inaugural event and is an independent investment conference featuring some of the best names in the micro-cap space. A panel of prominent analysts have selected approximately 28 companies to attend. This is an exclusive event limited to 150 buy-side analysts and investors. LD Micro, Stock News Now and Complete Bank Data will serve as sponsors for the event.

About SMTC Corporation: SMTC Corporation, founded in 1985, is a mid-size provider of end-to-end electronics manufacturing services (EMS) including PCBA production, systems integration and comprehensive testing services, enclosure fabrication, as well as product design, sustaining engineering and supply chain management services. SMTC facilities span a broad footprint in the United States, Canada, Mexico, and China, with approximately 1,300 employees. SMTC services extend over the entire electronic product life cycle from the development and introduction of new products through to the growth, maturity and end-of-life phases. SMTC offers fully integrated contract manufacturing services with a distinctive approach to global original equipment manufacturers (OEMs) and emerging technology companies primarily within industrial, computing and communication market segments. SMTC is a public company incorporated in Delaware with its shares traded on the Nasdaq National Market System under the symbol SMTX.
